

Application for Aspirant

(in Application to an Order of His Holy Church at White Rock)

The following is a general outline of information that should be on file as a matter of record for those who wish to enter and accept the commitment of being a part of a religious order. To be brothers and sisters there should be clear evidence of an intimate knowledge and sharing.

These records are part of that confidential record. You will need additional paper.

This is only an outline to assist you in the making of record.

The outline and application are overlapping records.
